## **Letter of Continuing Guarantee**

Bolphane® brand BX, BXX, BY, BZ, BFF, BLG, BE, B30, BSP, BTTX110, BTT+125 and BRX shrink films, as supplied by Bollore Incorporated, are guaranteed to comply with, and are not adulterated or misbranded within the meaning of, all relevant US Federal Food, Drug and Cosmetic Act (FFDCA) requirements, as well as the current revision of FSIS Directive 7410.1, dated 7-1-93. Specifically, the above designated grades comply with FDA regulation 21 CFR 177.1520 – *Olefin polymers*. This film may therefore be safely used for articles that contact food, except for articles used for packing or holding food during cooking.

Additionally, the Food Safety Directorate of the Canadian Food Inspection Agency (CFIA) has approved BE, BY, BX, BXX, BLG, BZ, BRX, B30 and BSF shrink films for packaging materials with direct food contact (dossier #B221).

Bolphane® brand shrink films:

- comply with Part B Division 23 of the Canadian Food and Drug Regulations,
- do not contain any intentionally added lead, hexavalent chromium, cadmium or mercury or a combined concentration of lead, hexavalent chromium, cadmium or mercury of 100 or more milligrams per kilogram,
- do not contain any substance listed pursuant to the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) in an amount that would require a warning to Buyer's employee or others using the product,
- contain less than 2 parts per trillion 2,3,7,8-tetrachlorodibenzo (Para) dioxin,
- do not contain and are not manufactured with ozone-depleting chemicals listed under the Clean Air Act Amendments of 1990 nor require any warning related to such chemicals.

We further certify that all shrink films are made using Good Manufacturing Practices and have passed all internal quality control tests with lots coded for component tracking. Bollore Incorporated meets ISO9001:2008 (product quality) and FSSC22000 (food safety: ISO22000:2005 + ISO/TS22002-4), and is regularly audited and certified by outside parties for compliance.

Sincerely,

Charles O'Lari  
Manager – Quality/Safety/Environment
