Certificate of Conformance – USPS Polywrapped Flats Specifications

March 1, 2007

Dear USPS Mail Piece Design Analyst and Mail Piece Producer,

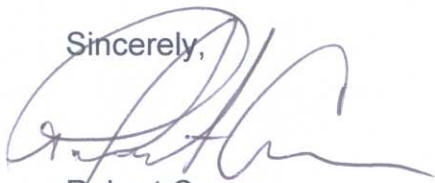

This letter confirms that Bolloré Bolphane® BX Shrink film meets the USPS specifications for films to be used on its Automated Flat Sorting Machines. The table below includes ASTM test results for this film.

BOLLORE BOLPHANE® BX SHRINK FILM

Property	Typical Result	Test Method
Coefficient of Friction		
Film on Film	0.204	ASTM D1894
Film on Metal	0.170	ASTM D1894
Haze	4	ASTM D1003
1% Secant Modulus		
Transverse Direction	97,000	ASTM D882
Machine Direction	89,000	ASTM D882
Nominal Gauge	>0.001	ASTM D374
Blocking	< 5	ASTM D3354-3
Static Charge	< 2.0	USPS Method

Questions or concerns may be directed to the Bolphane® Technical Manager.

Sincerely,

Robert Carver
Technical Support and Engineering Manager
